Support the 35th Annual Montgomery County Senior Games & Expo

2020 marks the **35th Anniversary** of the annual **Montgomery County Senior Games & Expo**. This annual event combines sports, recreation, and fellowship for senior citizens throughout Montgomery County, as well as surrounding counties. The weeklong competitive events for Montgomery County senior adults (50 years of age and older) will take place Monday, May 11, 2020 through Friday, May 15, 2020.

These senior games originated with the Montgomery County Legislative Delegation who has continued their support over the years. The games are organized and coordinated by various parks & recreation departments and volunteers throughout Montgomery County. Parks and recreation staff and volunteers help work the games during the designated week.

The Senior Expo featuring health screenings and exhibitors is one of the main features and most anticipated elements of the event. A variety of products and services for older adults are showcased and offered. Sponsors and local businesses are able to meet and speak with participating seniors. The expo will be held on the final day of competition: Friday, May 15, 2020 from 8:30am to 11:00am. More details will be available as we get closer to the event.

We are looking for local businesses and organizations that would like to get involved and contribute to this increasingly popular event. There are a variety of sponsorship options available, as well as the opportunity to show your support with gift baskets, gift cards, and other in-kind donations. This is a great opportunity to promote your business as well!

Our **Tax Exempt ID Number is 236003042**. Checks should be made payable to **Montgomery County Senior Games** and sent directly to:
