JOIN US FOR THE 40th ANNUAL MONTGOMERY COUNTY SENIOR GAMES!!!

Dear Participants,

On behalf of the Montgomery County Senior Games Executive Board, it is our great pleasure to welcome you to the 2026 40th Annual Montgomery County Senior Games (MCSG)! We are thrilled to celebrate this milestone year with you. The Games were recently honored by the Pennsylvania Recreation and Parks Society for Excellence in Planning, a recognition that reflects the dedication and teamwork behind this event. As always, we proudly welcome athletes of all abilities to this week-long celebration of active living, camaraderie, and friendly competition—and we have some special anniversary festivities planned to make this year unforgettable.

The Senior Games thrive thanks to the strong collaboration among Parks and Recreation professionals, community partners, local legislators, and a dedicated network of volunteers. Municipal departments across Montgomery County work together year-round to ensure the Games are thoughtfully planned, accessible, and welcoming to all. Their shared commitment and collective expertise create an event that truly reflects the spirit of community and public service.

Together, this partnership demonstrates how Parks and Recreation can strengthen community life by promoting physical health, meaningful connections, and lifelong fitness. Thank you for joining us to celebrate 40 years of the Montgomery County Senior Games. Your energy, dedication, and enthusiasm continue to inspire us, and we wish you a week filled with achievement, friendship, and some competition!

Have Fun!

Katie Kollar & Mike Richino, MCSG Chairs

EVENT RULES

Specific rules will be posted at each event. Rules will not be changed, nor will comment or protests be accepted on the day of the event. Most events are weather permitting, check Facebook and website for changes/cancellations.

SEE SCHEDULE OF EVENTS ON PAGES 6 & 7 FOR DATES AND TIMES

To the extent possible, the top 4 finishers from the previous year will be seeded in the following events: Billiards, Cornhole, Darts, Horseshoes, Shuffleboard, Pickleball, Badminton and Table Tennis.

ARCHERY

Bounce outs or pass through shots will be re-shot. Ties will be settled by most high score arrows. Six(6) arrows will be shot at each distance of 10 and 20 yards. Participants must use the equipment provided. The draw strength of the bows is 20lbs. A mandatory safety briefing, beginning at 11:00 am, must be attended in order to participate.

BADMINTON (SINGLES)

Badminton (Singles): Games played to 15 points instead of 21. All rules will be reviewed prior to the start of the event. Participants may bring their own rackets; shuttlecocks will be provided, and a limited number of rackets will be available for use. Check-in begins 30 minutes before the scheduled start time. Participants must check in by the start time in order to participate.

BASKETBALL (FOUL SHOT)

The winner in each age category is the contestant who makes the most baskets out of 10 attempts from the foul line. A perfect score is 10. Competitors may throw the ball in any style but must use the ball provided. All women and men 80 yrs and older may shoot no closer than 10'. We WILL have shoot-offs for all those shooting the same score during regular competition. Please plan to stay the entire event if you would like to contend for a medal.

BASKETBALL (HOT SHOT)

The winner in each age category is the contestant who makes the most baskets out of 7 from each of three "Hot Spots." A perfect score is 21. Competitors may throw the ball in any style but must use the ball provided. Each "Hot Spot" is 2' in diameter and located as follows: (a) at the foul line, 15' from the basket; (b) 10' from the center of the basket to the right and 6' in from the end line; and (c) 10' from the center of the basket to the left and 6' in from the end line. We WILL have shoot-offs for all those shooting the same score during regular competition. Please plan to stay the entire event if you would like to contend for a medal.

BILLIARDS (POOL)

A coin flip determines who breaks. The winner of the flip will choose for the first game. The loser will break for subsequent games. The match is the best of 3 games. Scratch on a break results in all pocketed balls being returned to the table and the ball in hand behind the head string. Any other foul ball in hand means the player can place the ball anywhere on the table. 8 ball pocketed on the break does not result in an automatic win. The ball will be replaced on the table. Combination shots are legal provided the shooter's ball is contacted first. Each match will be a maximum of 30 minutes with each game having 10-minute max. If time is left over from the first 2 games it can be applied to the 3rd game with the 30-minute match limit still intact.

BOCCE (QUADS)

11 points or 6 frames (whichever is First. Single elimination tournament. Teams assigned day of the event by random draw. Complimentary light refreshments provided to Bocce tournament participants. Check in begins 30 minutes prior to start time. Participants must check into the event by the start time in order to participate.
